Mita,

With Matt's one change he **Ex. 5 Deliberative Process (DP)** I only have two comments. First do we want to tinker with the language and take out "copies?" Or at least highlight that for Leif? Second my only other comment is wordsmithing. Frankly, I would take the last sentence out, but I don't know if that is a legal call really. I defer to you. Please let me know what you think.
